*'84 Pioneer
Notebook of Memories
Somerville High School — Somerville,
New Jersey*

*Nervously, I scan the
building, my thoughts
reading the possibilities,
the structure analyzing
me.*

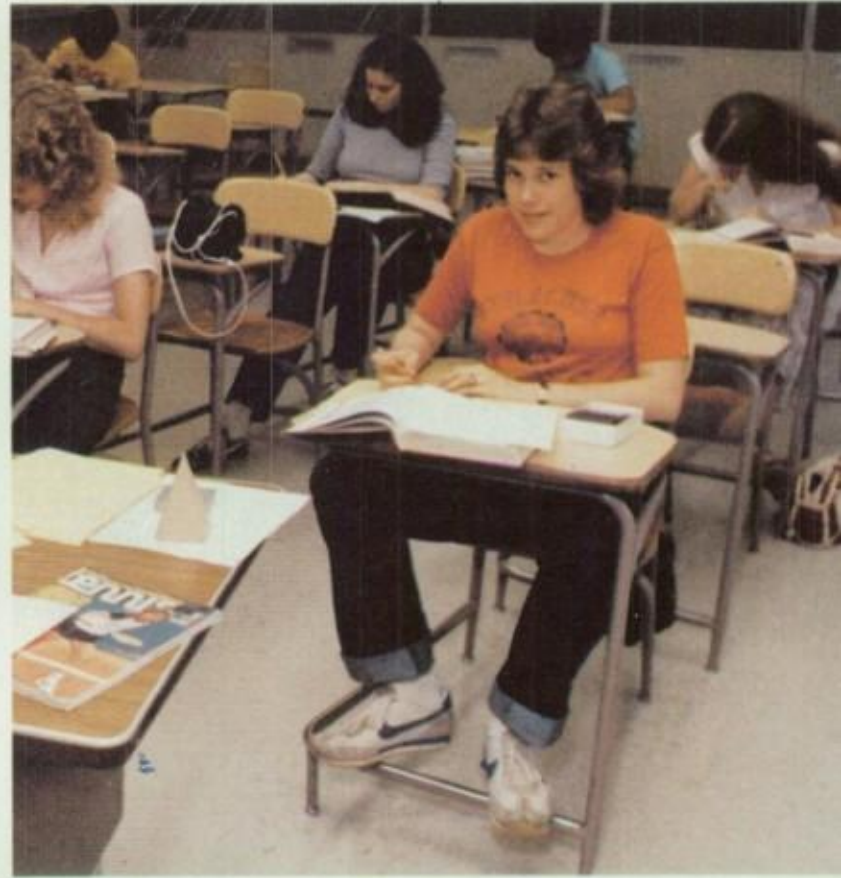

*Uncertainly, I move to the
doors and open to a four year span
of my life.*

**Stepping slowly through endless
hallways my senses erupt.
Intrigue fills me. Now I know the
future has already begun.**

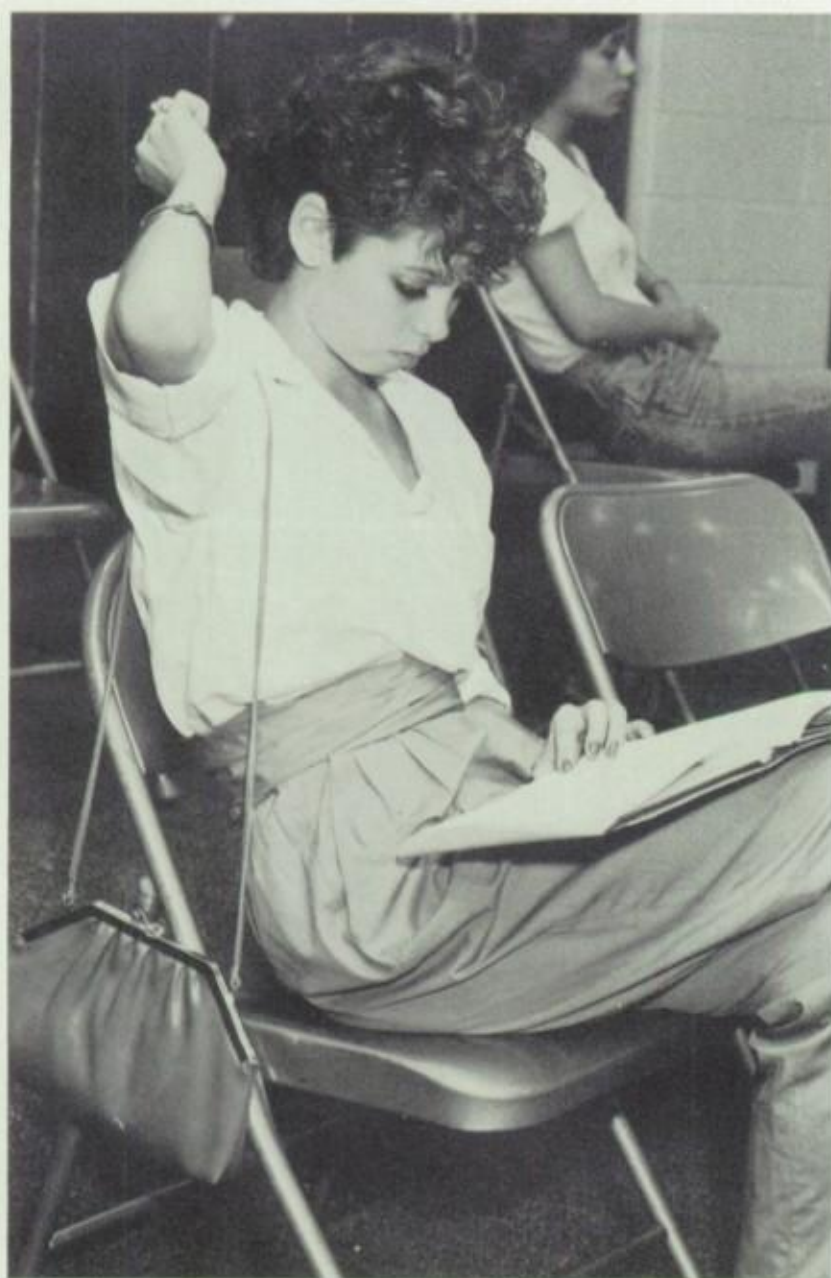

The time I spend here fills me with wondrous knowledge; understanding is all mine. Each new class, each new club, and each new friend is a separate beginning in itself.

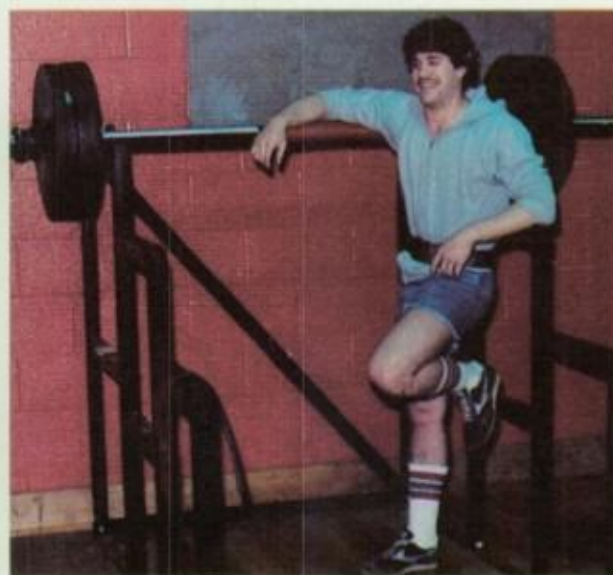

*I am finding that I am
part of this place, inseparable
and indistinguishable. At the
same time I can not blend.
Separate notions make me an
interesting individual.*

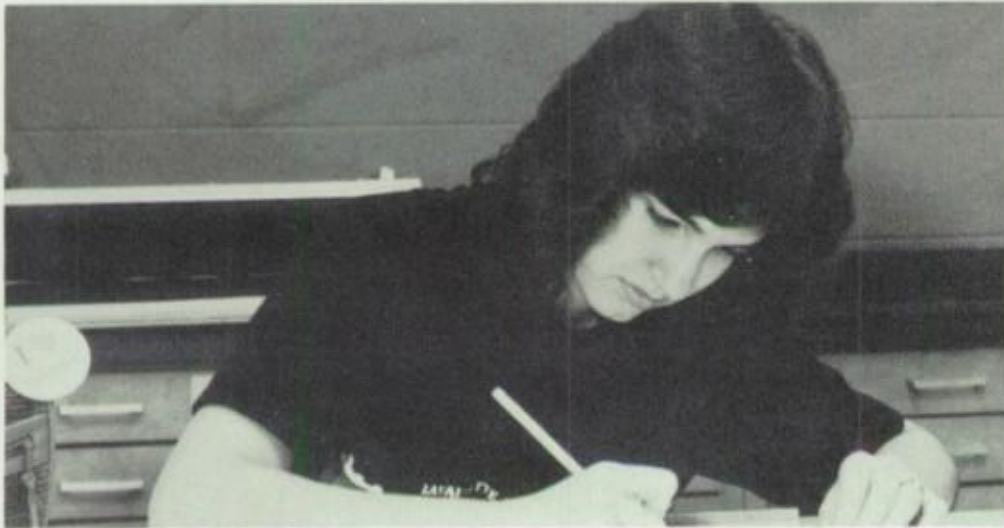

*How this place serves to make me
both is not known to me. I have no
driving need to understand, only to
know that it is true.*

*During these years I have
laughed with old friends. I felt the
heartbreak, knowing that I would no
longer laugh with them.*

School spirit beamed a light of pride from my heart each time I heard our crowds cheer. Excitement overwhelmed me when I won, and despair took over when I lost. I realized I possessed knowledge when I understood.

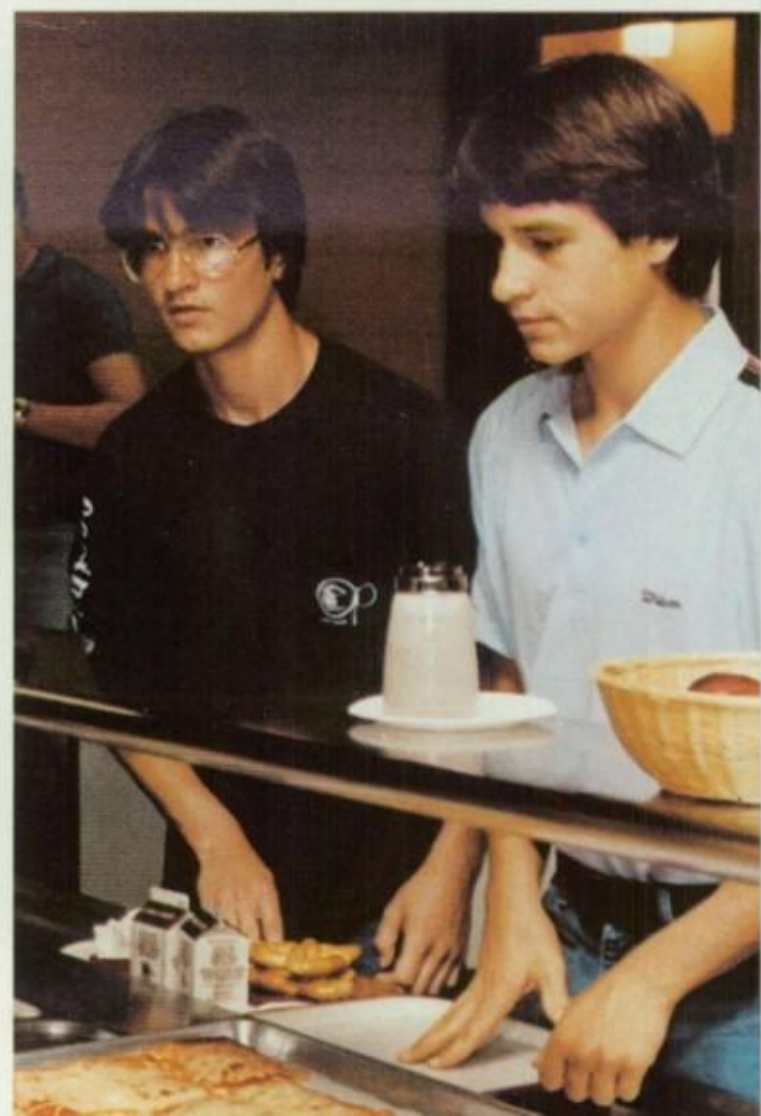

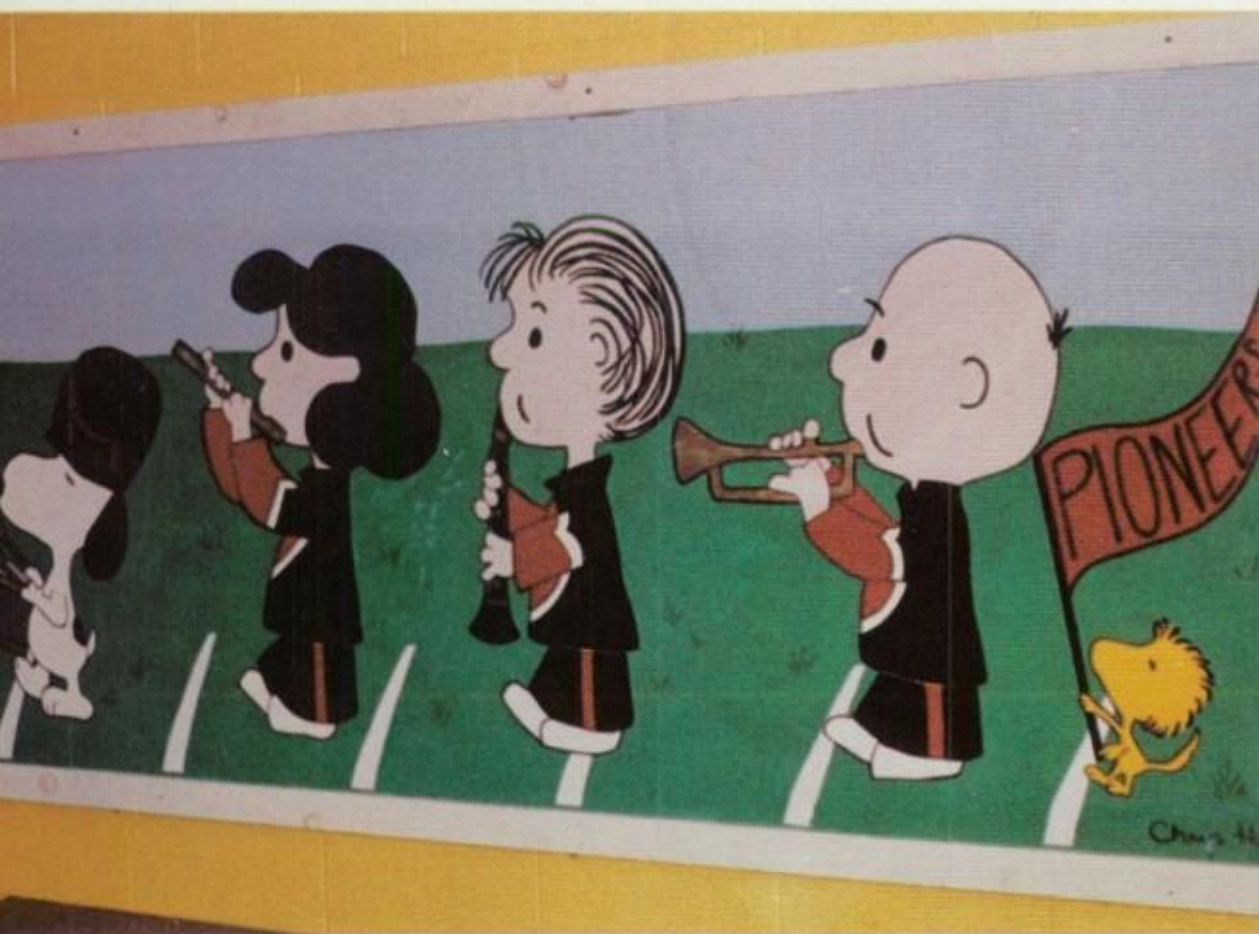

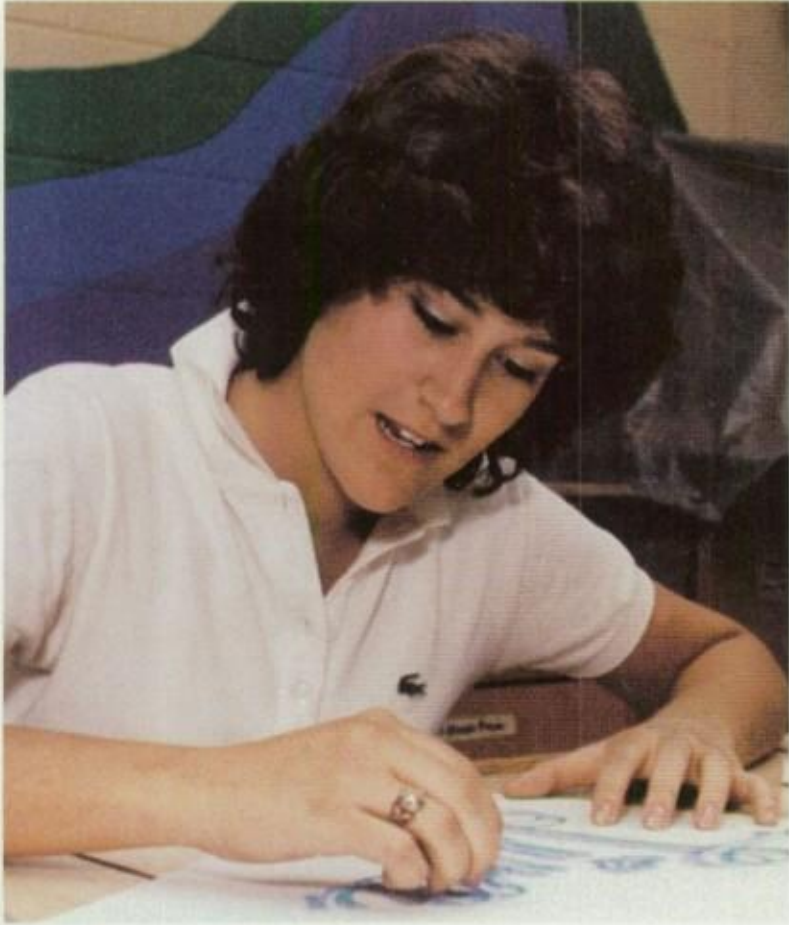

*Suddenly I begin to
perceive that this is all to end. Page by
page my future is revealed to me, my
past is there, etched in my memory.*

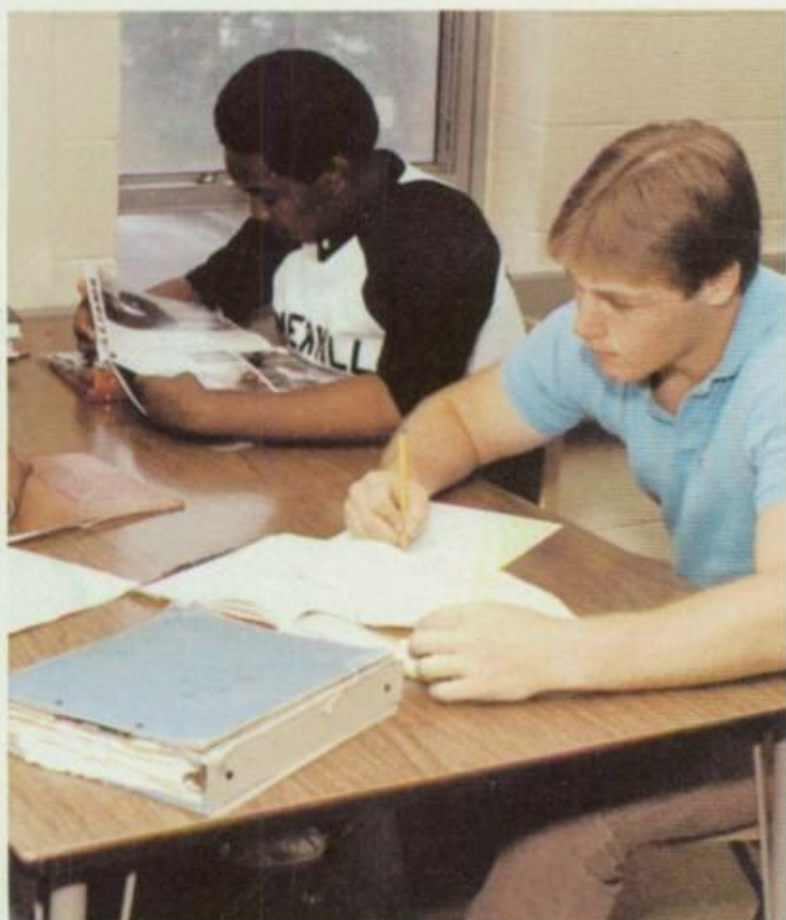

*Each turning page
holds my fascination.
I'm full of both
anticipation and
fear.*

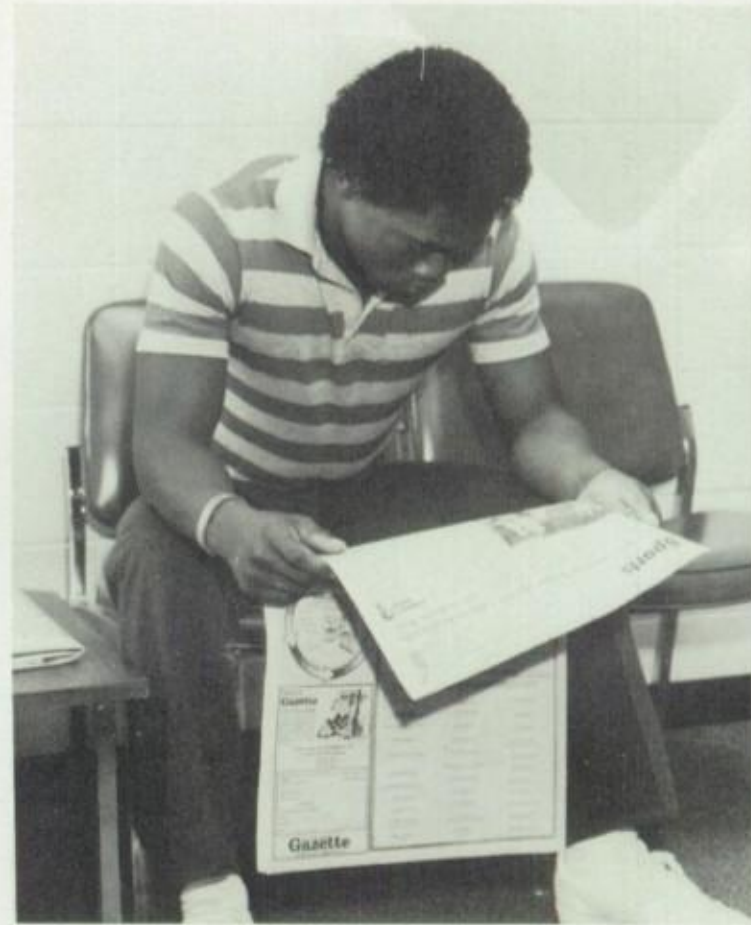

*Can I go on and risk everything I am,
or turn away and never know what I
could have been?*

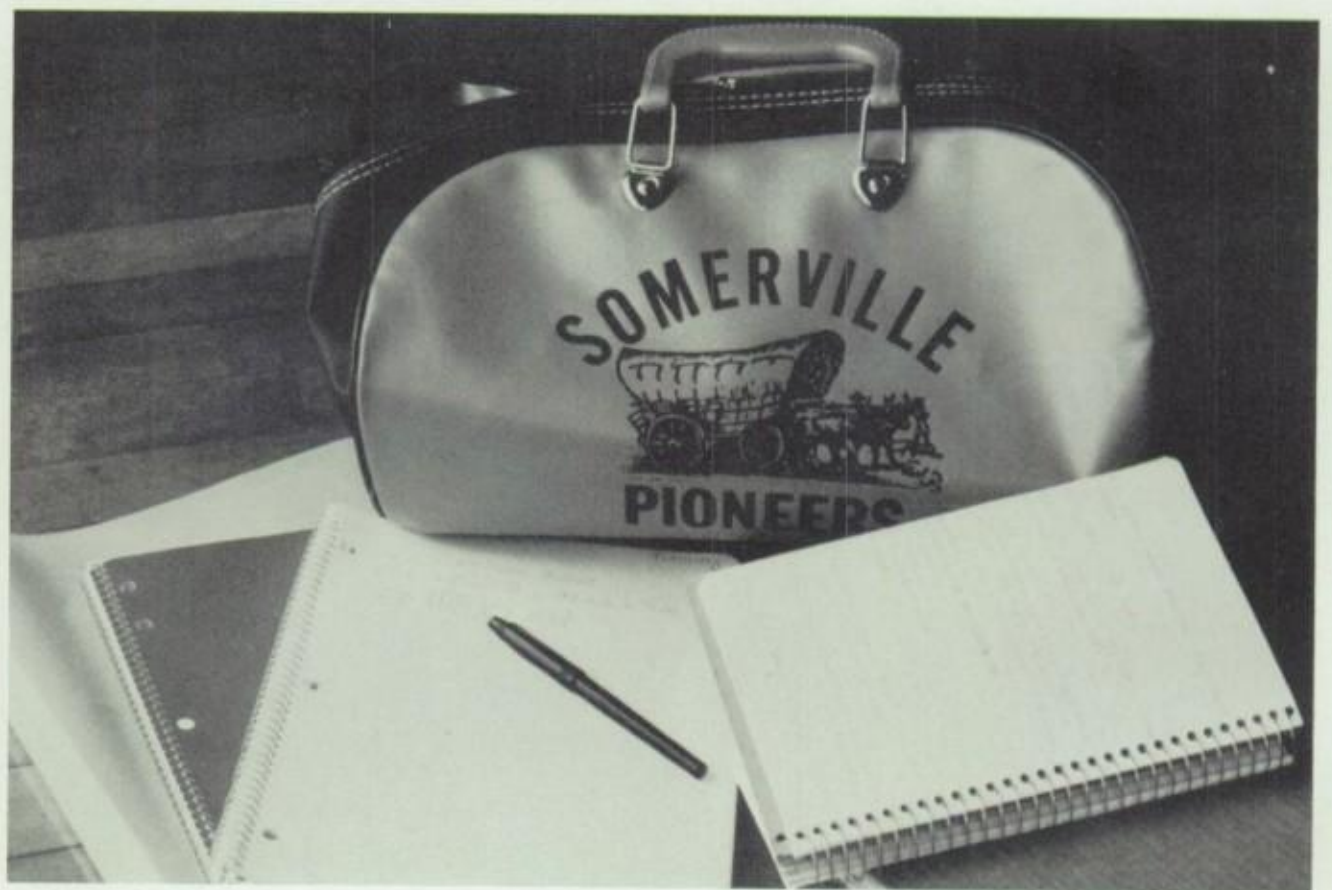

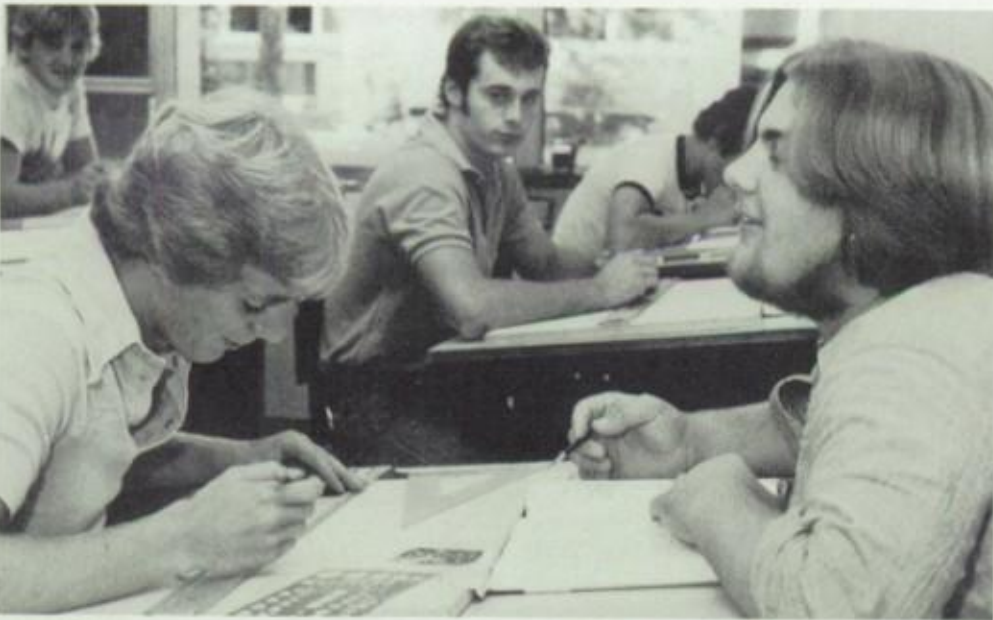

*All my tomorrows eventually become
yesterdays; leaving me to panic at their
flight.*

It becomes evident to me that I must be happy with tomorrow to be fond of yesterday. So I will leave this place to follow my future. *Jacquelyne Facciponti*

*Of all our years in school,
The one that's just passed,
holds the most important memories for the rest of our lives.
The friends and relationships we've made will stay with us
forever.*

*Whenever life seems hard,
Whenever we're down,
The good times we've shared
This year will shine through and make
The road ahead seem a little brighter.*

*Senior Year has been a year of laughter and tears;
It has prepared us for our futures,
It has given us a time to look back
But most important,
It has given us the courage to continue . . .
To become ourselves.*

State Champs

AWESOME — DEVASTATING — EXPLOSIVE have all been used to describe the 1983 Pioneer Football Team. With an overpowering offense and an unbeatable defense, they established an undefeated season of 11-0, with the first 6 games being unscored upon. The team improved on each outing reaching their peak during the championship game against West Windsor. Coach Moore considered that to be the best game of the season, saying, "The team put everything together for this one." He added, "What a fitting way for this great group of seniors to leave SHS."

The team had eleven SUPERSTARS on both offense and defense. The team's most improved player was Paul Gibbons. He had 10 interceptions and played excellent football from the minute he walked on the field to the minute he stepped off. That really explains the whole team, especially the defense.

This year's defense was the Ville's second name for the season. The "D" allowed only 35 points and forced 51 turnovers. The massive line would crunch anything that dared to cross it. If there was a lucky soul who did, the linebackers and secondary would destroy any hopes they had of seeing the end zone.

There is also much to be said about the team's offense and specialty teams. Some of the offense's special moments included: the Pat Balunis hail mary TD passes to Tom Barry and Pat Kelly, Mike Lewis' and Glenn Miller's powerful running plays and the punt returns for touchdowns. The offense scored a total of 210 points.

Nothing will be sweeter than to think back to October 21, 1983 when the intensity was so great, the newspapers, the pep rallies, Mike Lewis' 71 yard run, the score board reading The Ville 7, Immaculata 0. Eight players made the Mid-state conference team, five made All-Area team and eight made All-Somerset County team.

Positive Approach

The team this year showed much improvement offensively, defensively, and in the special team area. The coaching staff believes they gained valuable experience and learned to play well together. They developed more appreciation for one another's abilities and also improved in having a positive approach to the game.

The team finished strong with three victories in a row, over North Hunterdon, Franklin, and Hillsboro. Offensive standouts were backs Bill German, Ben Thompson, and Matt Buckelew and linemen Eirik Hergert, Phil Ocampo, Steve Stabile, Craig Stires, Dave Wilbur, and Ralph Sena. Outstanding defensive performances were made in the secondary by Kurt Lange, Dave Pomrinca, Ben Thompson, and in the linebacker area Steve Savoye, Herm Proctor, Al Intili, Ralph Sena, and Matt Buckelew. We are looking to big things from this group next year.

Congratulations on a very good year to all the team members.

Much Potential

The freshman football team concluded its season with a record of five wins, three losses, and one tie. All three losses were by one touchdown or less. Throughout the season these players were enthusiastic and they worked extremely hard to develop their football skills to the best of their ability. The players have the potential to develop into an outstanding football team.

Promising Season

The 1983 Soccer team finished the season with a struggling record of 3-14-1. Overall the team improved very much since last year. They won their first varsity game and developed great team spirit. Unfortunately, four games were lost by only one point.

The major goal of the team was to win 50% of their games which was not met. Another goal was to develop underclassmen as a nucleus for next year.

The team's expectations for next year are to win its Mid-State division. They finished third this season, partially due to injuries to key players. Max Jarmillo was injured and Diego Gomez missed half the season.

There were good points this season. They defeated their biggest rival, Vorhees. In their best game, the team defeated South Plainfield by a score of 5-0. Wayne Davis had two assists. The best players this year were Wayne Davis, who had eight goals, five assists, and, as a result, was named to the second All-County team; and German Gomez had three goals, five assists, and was named to third All-County team. Their most improved player was defender Doug Rienhart. Except for Wayne and Nerbert Fox, the entire team returns for what looks to be a very promising '84 season.

Skilled Underclassmen

The JV Soccer team started the season with a 4-1 record and were looking forward to a very successful season. However, the team suffered losses of key players due to injuries and some roster changes. The final record of 5-10-1 does not reflect the success of this year's team.

Leading players this year were co-captains Mark Johnson, Darren Rodriquez and Rich Rossomondo on offense. The defense was led by co-captain Steve Giovannelli and goalies Scott Axmann and Bill Brown.

Coach Colavita is looking forward to an improved season next year. With many skilled underclassmen such as Ron Granberg, Clem Ciufo and Kyle Melick returning, the JV Soccer team promises to be a winner in years to come.

We Did It

The 1983 Field Hockey Team finally did it. They won their first game in four years, with senior, Nadra Nabulsi, leading the team to victory. Nadra was the only four year member and made the team come alive with spirit. The sweetest victory was the first win, against Bridgewater West, their biggest rival. They defeated them on West's home territory.

*We have shared good times and bad
And the triumphs we have had are enough to last us for a lifetime.
The satisfaction which we have all obtained belongs to us, and we have earned it.
The future still holds the same emotions and hardwork as the past and we can only
hope for the best.
The victories we may achieve are superficial compared to the self-satisfaction we might
gain.
We have always tried, and always will.
We have a long way to go, and one day we will reach the top.
Until our goal of reaching the top is accomplished we will strive to be and keep the
same spirit and vitality which has taken us this far.

Middle Left: You can do it Tony. Middle Right: Look at that stride. Bottom: Chris, determined to finish.

County Champs

The 1983 Boy's Cross Country Team ended the season with an awesome record of 13-1. Some of the key runners were John Barry, Todd Johnson, Bob Loss, Brian Bauer, Jon Richart, and Scott Wallach. John Barry and Todd Johnson made the Mid-State Conference Team; John also made third team All-State. Everyone will return to make next year's team as great as the 1983 season except for senior Todd Johnson. Immaculata, Watchung, and Bridgewater West were the team's biggest rivals, which they went on to defeat. The meet with Bridgewater determined the Mid-State Raritan Division Championship, in which the Ville accepted, with great pride, the title.

The team took first place in Stewart's Memorial Race and the Somerset County Meet. They took second in the Mid-state Meet, the Shore Invitational Meet, and the State Group II Meet, and they also captured eighth place in the All Group Meet.

Congratulations is in order for these fine athletes and the coaching staff.

Division Champs

The 1983 girls cross country team finished with an outstanding record of 13-1. Their goal for the season was met by returning to the all-group meet for the second year straight, and next year, they hope to return for a third straight year.

The best runners on the team were Katy Reh, Patty McCormick, and Carolyn Thierfelder. KT and Patty both made the Mid-State team. This was Katy's second year on the Mid-State team. A major part of the squad will return next year along with Debbie Antonides, who was the team's most improved runner. The team almost doubled in size this year with eight freshmen.

Injuries were abundant this season, but the team's depth and spirit prevailed, and they overcame their problems to win the Mid-State Conference Raritan Division Championship. They placed second in the Somerset County Meet and Group 2 State meet. They also placed third in the Shore Invitational Meet and the Mid-State Meet. The Girl's Cross Country team deserves a lot of credit for their fantastic season and excellent effort.

Mid State Champs

Led by senior Michele Galka, junior Pam Tocci, sophomores Kelly Radziewicz and Heidi Bauer, and freshman Jenny Regan and Tracy Copeland, the SHS Gymnastics team had another fantastic season. Perhaps the most exciting meet was against Hunterdon Central. Behind, throughout the meet, the team came back to tie the score, thus clinching the Mid-State Conference Co-Championship. The Ville's other big rival, East, was conquered as was everyone else, leading to a very impressive 9-0-1 season record.

As the year progressed, the routines improved, aiding the team in their quest for Mid-State and County Championship titles, and allowed the team to qualify for the state meet. Unfortunately an injury caused the team to be ranked 11th in the state because they were unable to supply a complete team.

Three gymnasts had outstanding seasons; Michele placed third all-around in the county and was named to the Mid-State conference first all-around team. Heidi came in first at the county meet and was also named to the Mid-State Conference first all-around team. Kelly placed second on bars and third on vaulting at the county meet.

Expectations for next year are high. The team wants to keep the titles won this year and improve their state standing. These goals should be easily reached because, with the exception of Michele, everyone will return next year. Also, more freshmen got competitive experience this year to aid them in the future. The Pioneer wishes the gymnasts success in the future.

New School Record

Missy Gottlieb of the Girl's tennis team set a new school record — 14 wins. All the girls will be returning to the team next year. Heather Quick went from second in doubles to second in singles. The whole team has become stronger in singles. The girls lost to their rival, East.

They hope to improve on last year's record, be more competitive and have more fun together. One of their biggest goals is to qualify for the state tournament and win their division of the Mid-state Conference.

Hayes Finishes Career With 1133 Points

Led by senior captain Gary Hayes, the Pioneer Basketball Team finished with a 16-11 record, losing to Asbury Park for the championship of Central Jersey.

Gary became the seventh player in the school's history to score 1000 points, finishing with 1133 for his career. Gary was also an All-County-All Mid-state Conference first team selection. Gary also was chosen Second Team All Area and All State.

Seniors Norman Milligan, Kevin Williams, Richy Evans and Joe Yakup played key roles, leading toward a successful season.

Returning to form the nucleus of next year's squad are All-County-All Midstate center Stan Jeffries, Craig Stires, Pat Balunis and Kris McAloon.

The 1983-84 J.V. Basketball team was comprised mainly of sophomores. In terms of winning and losing they were four victories better than a year ago. Our main area of concern was team concept. We worked hard with the total game; offense, transition, and defense.

Leaders on the team were Butch Davidson, most assists; Paul Fisher, top rebounder; John Voytek, steady performer; and Ben Thompson, all-around player. Pat Balunis and Kris McAloon contributed heavily to the success until they were elevated to the varsity earlier in the season. Herm Proctor, Zoran Milich, Pete Talke, Ray Davis, and Ken Ciccotelli, rounded out this year's squad.

"It's hard to pick any best players on the team considering exceptional teamwork was one of our better qualities." Coach Anderson summed up this season perfectly. The team improved their teamwork more and more with each game, enabling them to play well together. This togetherness paid off by pulling them through some close games.

A team that can attest to the strengthened teamwork is Immaculata. We suffered our only loss to them in overtime by 2 points the first time we played them, but our freshmen came back in the next two games to beat them. The last win accomplished the major goal of the team: to beat Immaculata in the final game scheduled against them.

Perhaps the next biggest benefiting factor was the large team and a strong bench. Put all the advantages together and you get a super team. The freshmen finished with an astonishing 21 wins and 1 disappointing loss by 2 points in overtime.

5th Year Mid-State Conference Champs

Once again the Somerville girl's basketball team has produced another fantastic season with a 25-4 record. It is the fifth straight year they have won 20 or more games. They are also Mid-State Conference Champs for the fifth straight year and Somerset County Champs.

One of their best games was played on Hunterdon Central's home court. They defeated arch rival Immaculata an impressive three times this season giving us some very exciting moments.

Daina Harris, averaging 15 points per game, and Regina Jeffries, averaging 16 points per game, were this year's leaders. The team was rounded out by some very capable young players including freshmen, Michelle Moffat, Loretta Hall and Carolyn Theirfelder, this year's most improved player.

Daina Harris ended her Somerville career with a bang being selected All-State first string by the Courier News.

A Win Over Immaculata

This year's JV team's major goals were to have a winning season and to improve their skills. As the season progressed, the players gained more confidence in their ability as a team. Perhaps the biggest proof of this improvement can be seen in the Immaculata game. They had beaten us in overtime before and our girls came back to beat them by 16 points in the next game.

Players aiding the team in their quest for victory were: Donna Mosher, described by her coach as a good shooter and ball handler, and Terry Ouellette, known for her good rebound and inside moves. The most improved teammates are Maria Camacho and Carrie Torras. Next year's expectations are high. Carrie Torras, Terry Ouellette, Amy Vozel and Jenni Stoker will all return, bringing with them age, experience, and hopes for another winning season.

Bauer, Becker, Ussia and Dubiel: District Champs

The 1983-84 Wrestling team ended the season with a winning 9-5 record. Their major goals were met by taking 2nd in the County and District Tournaments. They also ranked 7th in region, which is excellent considering there are approximately 30 schools that participate in it. The team defeated their arch rival Bridgewater East.

Mr. Kinney has very high hopes for next year with much of his team returning. The returning members are Greg Moore, Brian Bauer, Chris Ouelette, Dave Pomrinca, Duane Everett, Doug Reinhart, Mark Slotterback, Doug Leubner, Larry Ussia, and Mark Ulassin who was the most improved wrestler. He came in 2nd in Districts at 170 pounds. Award winning wrestlers included Scott Becker and Larry Ussia, 3rd in Region; Bill Dubiel, 2nd in Region; and Brian Bauer 2nd in Region, 3rd in State, coming back to defeat the Region Champ.

Young and inexperienced, but hard workers with promise. That's how Coach Robinson described this year's J.V. Wrestling Squad. Considering that the team was comprised mostly of freshmen with little or no experience the team ended the season with a .500 record.

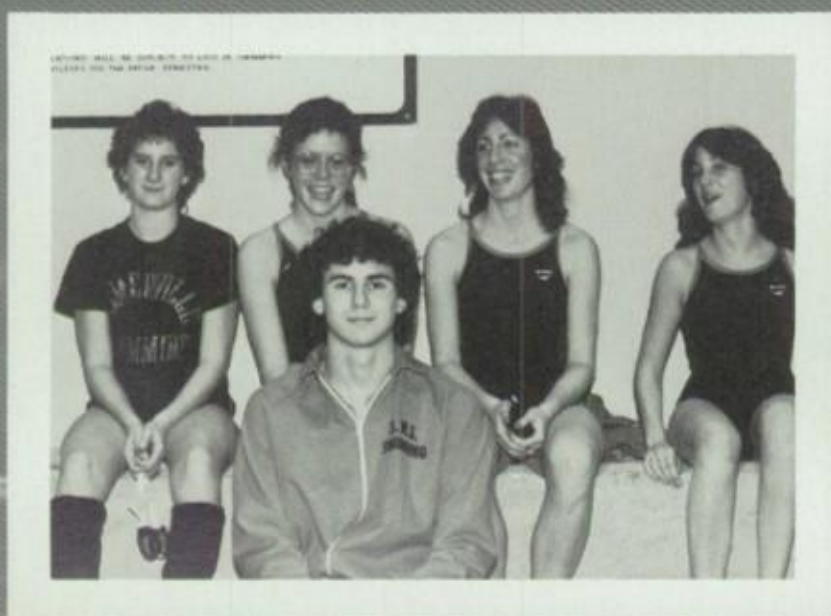

Two upperclassmen, John Donnally and Doug Leubner won their weight classes in the Novice Tournament. The most improved wrestlers were sophomore Clinton Mundy and Curt Lange.

A problem encountered this year was lack of numbers. The team had to forfeit three weight classes which affected the team's wins and losses. Next year looks very promising, according to Coach Tom Robinson, since most of the team will return and next year's freshmen will hopefully fill the forfeited weight classes.

Team Effort

This year's swim team was led not by an individual, but by many talented students of all ages. Those that stood out were Jim Dwayne, Tim Dry, Deb Antonides, Chris Winter, Patti Hannin, Missy Hannin, Sue Garney, Barb Poulson, Louise Dorsey, and Scott Thompson. Steadily improving to reach their ranks are Dave Fancher, Regina Fitzsimmons, and Brian Tozzi. Put all this talent together and you wind up with an 11-9 season record.

Most of the swimmers are young, thus they will return and improve the teams competitiveness within the next 2-3 years.

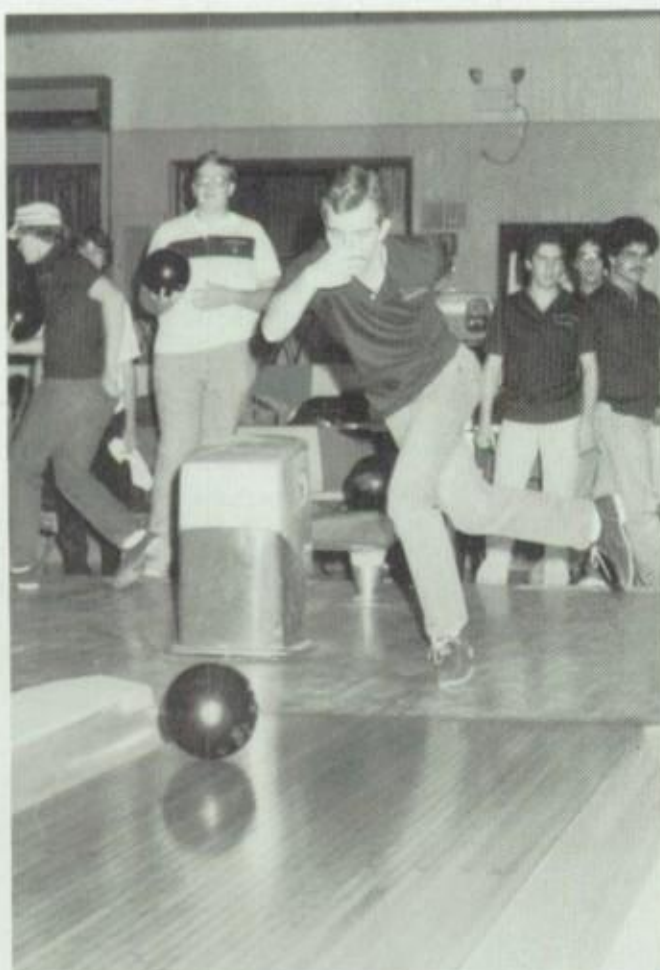

This season was a fulfilling one, with a very impressive win over West. After they had won the first meet, many stars emerged to compete in the county and Mid-State meets. Winners are Jim Dwayne (200 free and 100 back), Chris Winters (back), Tim Dry (fly), Deb Antonides (200 free), Patti Hannin (breast), and the relay team of Deb, Barb Paulson, Louise Dorsey, and Chris.

Congratulations and good luck in the future.

First Place: All-Mid-State Conference

This year's bowling team was led by senior, 4 time starter, Glenn Ellsworth and sophomore Kelly Moore, who was the most improved bowler with a 14 pins over average.

The team's major goal, finishing at .500 was met. Another goal met was gaining much needed experience and staying together to form a tight knit group.

Kelly Moore, Greg Sheats, Jim Shevlin, Brian Kaufman, Jim Marchese, Wayne Sutton, Glenn Sheats, Scott Shanks and Mike Trimmer will all return next year. With all this experience, we should be the team to beat in the 84-85 school year.

The highlight of the season was finishing Second in the Somerset County Bowling Tournament where Senior Glenn Ellsworth bowled a high game of 231 for 1st place, and a high series of 585 for 3rd place.

Look at that concentration.

14-2: Best Record Ever

The star on the 1983-84 team was Ian Schenck who, for the second year in a row, became the State Foil Champion. Ian's many other awards included Centrulo State Championship Foil Squad Gold, District I 1st place in Individuals, NJSIFA High School State Champ, and All-State "A" strip First Team. Also standing out on the team were Mike Motz, Earl Hergert, Brent Schenck, Geoff Hager, Jim Benscoter, Derek Lipscombe. The boy's team finished second in the district and fourth in the State. They finished with a 14-2 record, the best ever!

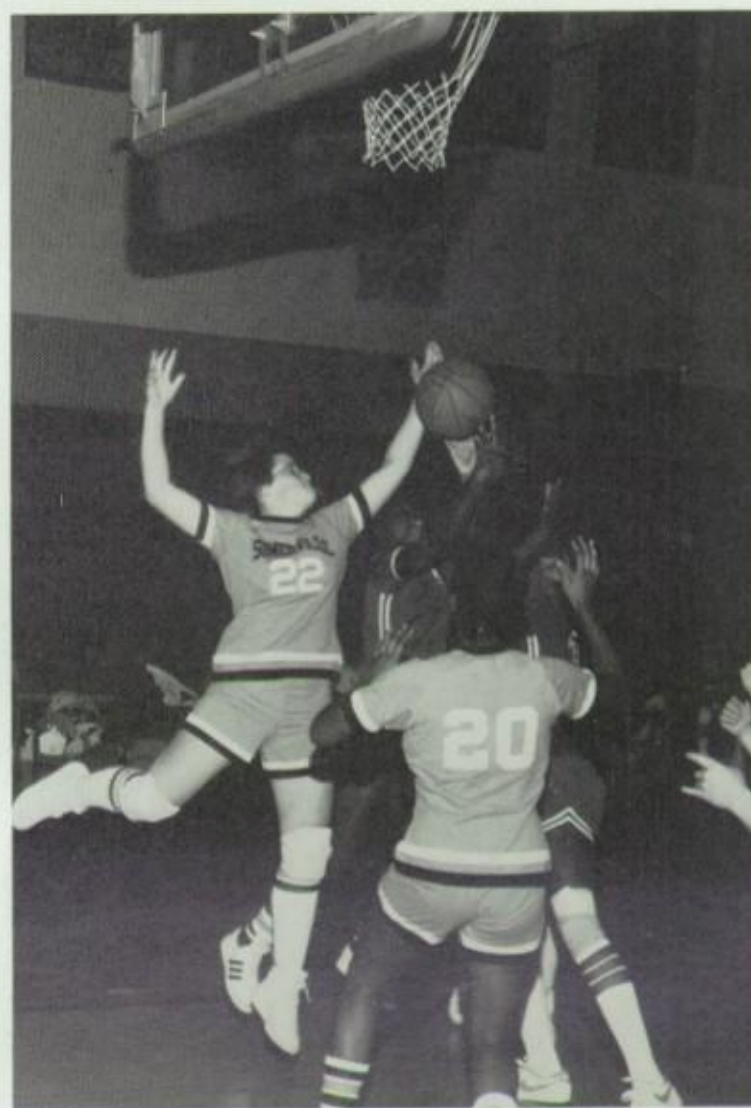

Amy Lane was the standout on the girl's team. She had a 42-20 record fencing foil and is considered the most improved player.

This year's team has a stronger squad and a better record than last year. To better illustrate just how strong: this year was the first time in 20 years that Voorhees was defeated. Next year should be just as promising because many of the fencers will be returning.

83-84: Full of Accomplishments

The 1983-84 Student Council has had a very productive year sponsoring dances, special days and community service projects. These various activities have instilled a sense of pride in the student body.

We had everything from a 50's dance to a semi-formal as well as a special dance in September to get freshmen involved with the school. Other activities sponsored were a Halloween dress up day, a Christmas door decorating contest, a Carnation day and Spirit Week.

According to Mr. Peachey, the advisor, this year's Student Council has sponsored more activities than any other year.

The A Team

The Somerville Academic Team, headed by Mr. James Durland, is composed of twenty-two students who are chosen by recommendations from teachers and performance in practice.

The teams take turns answering questions on various subjects such as American history, science, math, foreign language, sports, science computation, literature, world history, and general knowledge. The questions are obtained from companies specializing in trivia.

The J.V. and Varsity teams had a good season, winning approximately half of their meets. Mr. Durland expects to have an excellent team next year with his J.V. players. He says, "They are a talented group of young people."

A Drive to Win

Even though the baseball team had a struggling season, it never stopped its drive to win. This was a young and inexperienced team which should prove to be very successful next year. The starting line-up was Dale Harding, Gary Howell, Paul Gibbons, Glenn Dickey, John Dowling, Larry Ussia, Gary Gibson, Ralph Rios, Skip Fuller and Kurt Talke. Kurt Talke also made All County second team and Mid-State Conference Honorable Mention.

Larry sets the style.

The crowd puts the pressure on Gary to win one for the "Ville."

Future Plans

Although the 1983 J. V. Baseball team didn't show its talent in their overall record; they did show great improvement at the end of the season. Rich Baudoux, Dave Schlauer, and John Voytek proved to be the team's best players. One of the best games played was with Bridgewater West. The team was losing 6-4 in the last inning and came back to win it 8-6. Immaculata, who was the team's biggest rival, lost 6-4 in the 5th inning when the game was rained out. The team hopes to win more games and be more competitive next year.

Standing: Coach Venezia, Denise Diamond, Dave Kornas, Lou Polleta, Rich Baudoux, Bowden, Dave Wilber, Bill Zigler, Zoran Milich, Art Akins, Kris McAloon, Herman Proctor, Barbara Poulson. Kneeling: John Seibert, Lance Walten, John Kurchkowski, Doug Buchanan, John Voytek, Bill German, David Schauer.

Improvement Expected

The 1983 softball season ended with a struggling 2-20 record. The team was greatly affected by injuries and lack of experience. Next year's team should prove to be much better because almost all the players will be returning. The Pioneers' two wins consisted of Watchung and a crushing win over Bound Brook 17-3. The team leaders were Jill Apsley, Robin Radziewicz, Jen Sowden, and Ruth Moore, with Jill Apsley being the most improved player of the season. Coach Klock's expectation for next season is "improvement."

Play Ball

The 1983 J.V. Softball team did not have the best of seasons, but the players gave one hundred percent each game. The team did learn that teamwork is very important. Although this year's team was made up of first year players, who were just learning to play, next year, these same players will help make 1984 a winning season. Some of the valuable players were Debbie Balassie, Adrienne Confortini, Sue Diccico, and Jill Sharpless.

Relay Champs

The 1983 Boys' Track Team again established themselves as one of the best in the area. The climax of their season was winning the Somerset County Relay's. They also did very well in all of the other relays. High scorers for the team were Eddie Daniels, Wayne Davis, Bill Dubiel, Jeff Gray, Steve Holloway, Pat Kelly, and Mandrue Mills.

Scorers Return

Although the 1983 Girl's Track team did not have the best of seasons (1-10), Coach Mech is hoping for a better season in 1984. His goal for 1983 was to develop a conditioning program, establish discipline and have his runners compete to the best of their ability. This goal on the whole was met and Coach Mech's expectations for 1984 are to develop these goals to the advantage of his members. Leading scorers were Michelle Phillips in the high jump, Chris Balcius in the javelin, Heather Quick in the 400m, Jean Barry in the 800m, Sue Hart in the 1600m, and Katie Reh, Patty McCormick and Carolyn Theirfelder in the 3200m.

Biggest Rival Beaten

The 1983 Boys' Tennis team had a record of 5-20. Even though the team had a losing season, they did beat their biggest rival, Hillsboro, 3-2. Many of the players will be returning this season to try to make the team better. These returning players are Steve Giovanelli, Max Jaramillo, Henry Miller, Steve Savoye, and Balan Venlugopal. Key players lost to graduation were Mike Maulding and Phil Partington, our exchange student from Australia.

Tournament Play

Seniors Maura Waters and Corey Bonnell led the 1983 Golf Team as high scorers with Joe Carballal coming close behind. Although the team had a fair season, four of the leading players participated in the Somerset County Tournament. Hopefully most of the team will return for the 1984 season.

Graduation, a time that is unmatched by any other. A time when we know our goals have been met and that our accomplishments are greatly rewarded. It is a time of sadness, leaving behind a large part of our last four years, a sadness of a parting of ways with people who have become like family.

*But, it is a time of joy, looking ahead to our futures with the outlook that we have made it
all this way and that there is so much more for us to see and experience. For us, life has only

Remember when we used to think hunger was inevitable?

"If there is a political will in this country and abroad...it should be possible to overcome the worst aspects of widespread hunger and malnutrition in one generation."

National Academy of Sciences
World Food and Nutrition Study, 1977

"...If decisions and actions well within the capability of nations and people working together were implemented, it would be possible to eliminate the worst aspects of hunger and malnutrition by the year 2000."

The Presidential Commission on World Hunger
Overcoming World Hunger: The Challenge Ahead, 1980

"Mankind has never before had such ample technical and financial resources for coping with hunger and poverty. The immense task can be tackled once the necessary collective will is mobilized. What is necessary can be done, and must be done."

The Brandt Commission,
North-South: A Program for Survival, 1980
